## FAQ's

### **Q: What is the schedule for Executive Women's Day?**

A: A detailed schedule will be distributed closer to the event; however, attendees should plan on 10 a.m. – 3 p.m. Lunch will be served and there will be a 'Wine Down' around 2 p.m. with light snacks.

### **Q: What should I wear?**

A: Attire for the day is business casual. Please be mindful, the Executive Women's Day venue is located on a golf course and you may walk through grass/dirt/mulch getting from your car to the venue. Given the elements, we recommend closed-toed shoes and a jacket or sweater as it can be chilly in the morning.

### **Q: Where is Executive Women's Day located?**

A: Executive Women's Day will be held in the AmeriLife 17th Green Snake Pit Club on Copperhead Course at Innisbrook Resort. Specific instructions on arrival, parking and event venue will be sent ahead of the event.

### **Q: Will each guest receive a ticket to Executive Women's Day?**

A: Tickets will not be distributed nor required for this for this event. Instead, attendees will receive a parking pass, providing access to the EWD designated parking area. Please see below for more information.

### **Q: If there is not a ticket for the event, how will guests be admitted?**

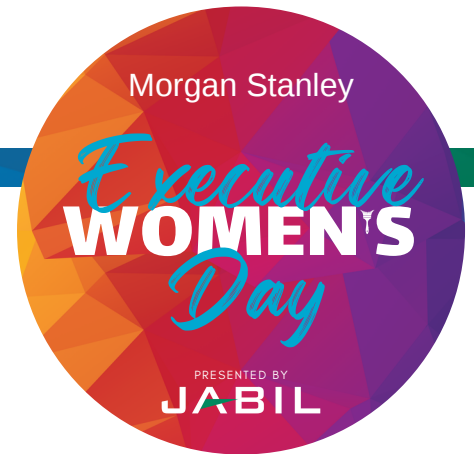

A: Each table host will receive Yellow Lot Parking Passes for the total number of seats purchased. Example: if you have a table of six (6), you will receive (6) parking passes. Passes will be sent to the table host ahead of the event to transfer digitally to guests. This is the only 'ticket' required for access to the event and should be shown at the gate upon arrival.

### **Q: Where do I park?**

A: All guests will park in the Yellow Lot (map and directions will be sent ahead of the event). This lot is a short walk to the venue, but golf cart shuttles will be provided as well.

## FAQ's

**Q: How will guests receive information prior to the event?**

A: You will be asked identify a "table host" within your organization to ensure accurate communication for the event. Then, a member of the Valspar Championship team will be in contact with the table host from your organization. All information will be sent to the table hosts to communicate directly to their guests.

**Q: When will I receive more details about the event?**

A: Starting in January, a member of the Valspar Championship team will send an invitation to each table host. Table hosts can use this as an invite to send to their guests.

**Q: Do I need to register my guests ahead of time?**

A: The only information needed for registration are the names of your guests. We will request this information when correspondence begins in January.
