

MOBILE TICKETING GUIDE

We highly recommend that you download the Valspar Championship App

VIEW TICKETS

In the Valspar Championship > Tap on “Tickets” at the bottom and then Tap “View and Manage Tickets”

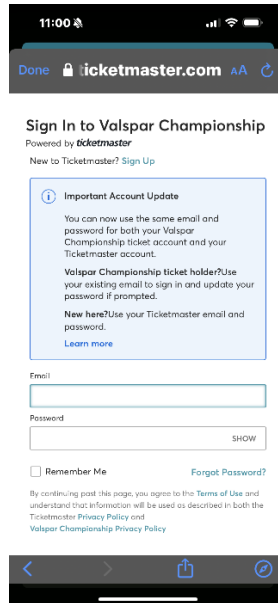

In the window that opens > Tap the circle with the person outline at the top right to sign in

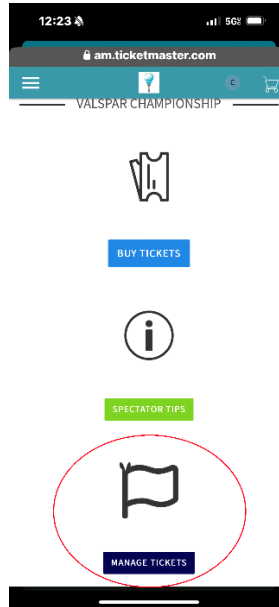

Login using the email address and password when used when purchasing the tickets

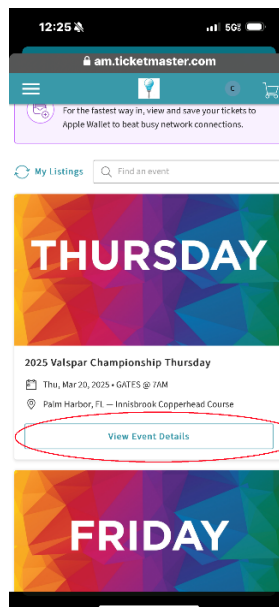

Once signed in, you will see a letter replacing the person outline

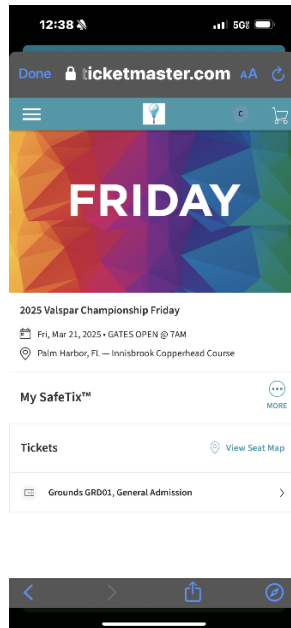

Scroll down and tap on “Manage Tickets”

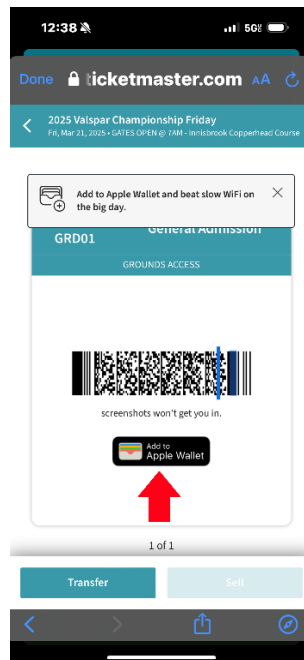

Find the day you are attending and then tap on “View Event Details”

Tap on the arrow to the right of the ticket you wish to view or save to your wallet

This is your ticket, you can save it to your wallet by tapping on “Add to Apple Wallet”

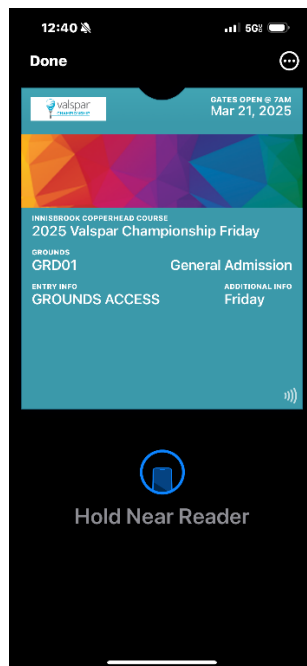

Tap “Add” at the top right

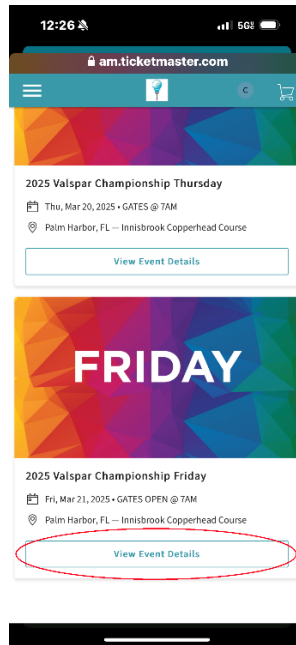

Ticket will then appear in your wallet ready to be scanned at the gates
(Note - there is no barcode)

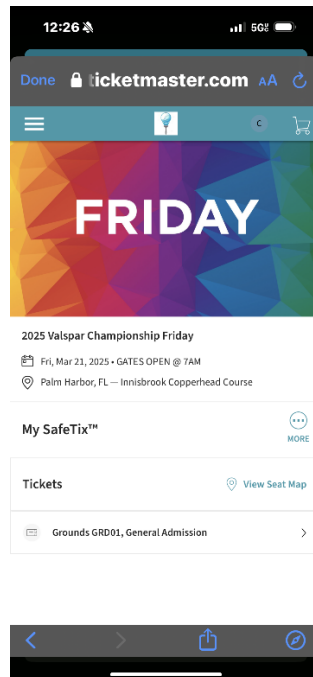

TRANSFER TICKETS

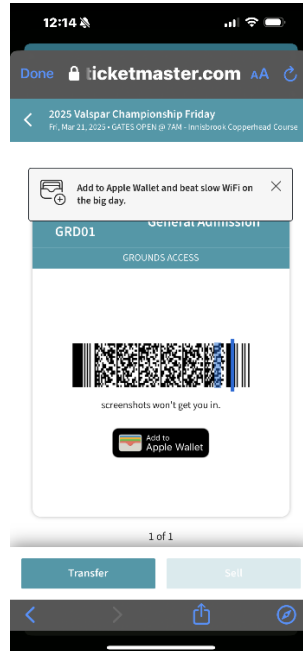

Tap on “View Event Details” of the day of the ticket you want to transfer

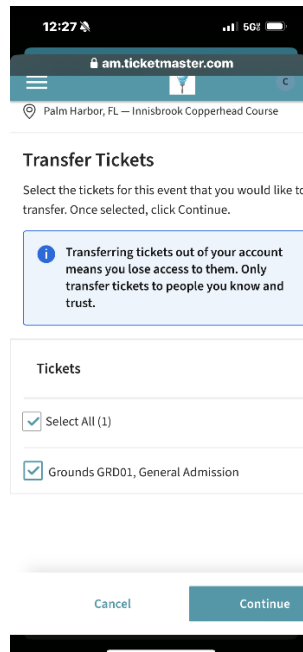

Tap on the arrow to the right of the ticket you want to transfer

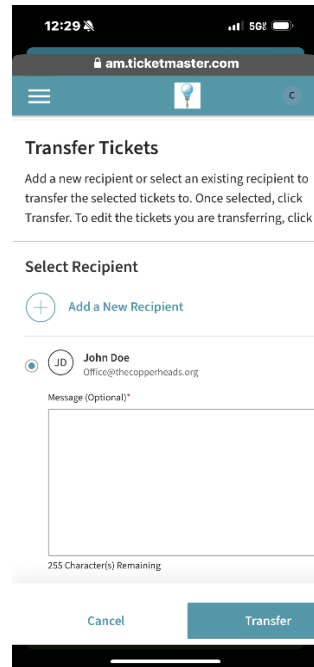

Tap on the “Transfer” button at the bottom left

Select the ticket(s) you want to transfer and then Tap the “Continue” button

Tap on + sign to add a new recipient name and email address or Tap on the button next to a name in the list > then Tap on the “Transfer” button at the bottom right

Ticket will then show that it is awaiting the recipient to claim, and where you can cancel the transfer if necessary.
